**Dr. Michael Brown** is founder and president of ICN Ministries, which is devoted to taking the message of repentance and revival to Israel, the Church, and the Nations. He met the Lord in 1971 as a sixteen year-old, heroin-shooting, LSD-using Jewish rock drummer. Since then, he has preached around the world, written more than fifteen books, which have been translated into more than a dozen languages, and lectured at leading seminaries. He is committed to helping raise up an army of holy radicals who will spark a spiritual and moral revolution in the land.
